

# e-SEREX

Agricultural and Industrial Electric Transporter  
Anyone can drive it and no License is required.

## Electric Transporter

Chargeable with general house-electricity, more than 60 km driving range  
Wemen and the eledery can drive with support of convience and safety functionality

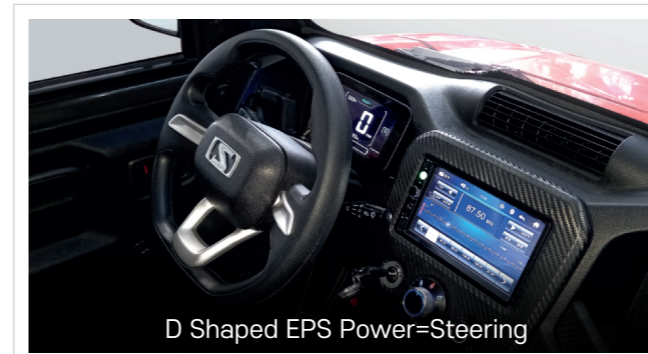

Size (L×W×H)	3,475×1,375×1,550 mm
Weight and Speed	703 kg   F: 0~15/R:0~10 (km/h)
Driving Motor	5.2kW AC Electric Driving Motor
Loading Capacity and Ground Clearance	200 kg   150mm

## Practically Customized Cargo Bed design for Orchard farming

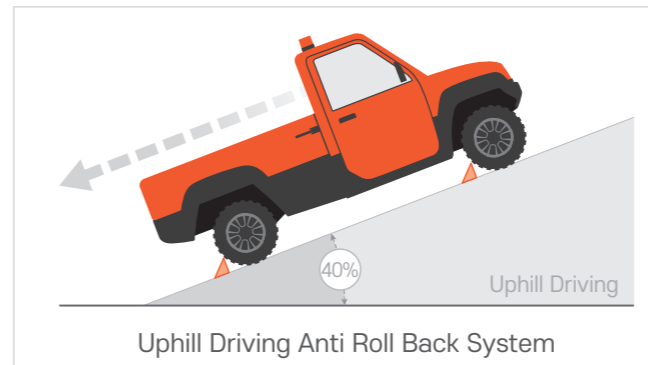

Cargo Bed Size (L×W×H)  
1,620×1,245×300 mm

## EPS Power-steering & Front Double wishbone suspension

## Anti Roll Back & Regenerative Braking System

<b>Power Steering</b>  EPS Electric Steering Easy and Powerful	<b>Air Boost Disc Brake</b>  Front and Rear Exellent Braking	<b>Uphill Driving Anti-Roll Back</b>  When Stop uphill anti-Rollback works	<b>Downhill Drive Regen. Braking</b>  When drive downhill Regenerative Brake	<b>Differential Lock</b>  Extra traction on sticky soil	<b>Front Axle Suspension</b>  Comfort double- wishbone suspension	<b>Cargo Bed</b>  Practical cargo bed (9boxes)
